

Metropolitan planning area means the geographic area in which the metropolitan transportation planning process required by 23 U.S.C. 134 and section 8 of the Federal Transit Act must be carried out.

Metropolitan planning organization (MPO) means the forum for cooperative transportation decisionmaking for the metropolitan planning area. MPOs designated prior to the promulgation of this regulation remain in effect until redesignated in accordance with § 450.106 and nothing in this part is intended to require or encourage such redesignation.

Metropolitan transportation plan means the official intermodal transportation plan that is developed and adopted through the metropolitan transportation planning process for the metropolitan planning area.

Nonattainment area means any geographic region of the United States that the Environmental Protection Agency (EPA) has designated as a nonattainment area for a transportation related pollutant(s) for which a National Ambient Air Quality Standard (NAAQS) exists.

Regionally significant project means a project (other than projects that may be grouped in the STIP/TIP pursuant to § 450.216 and § 450.324) that is on a facility which serves regional transportation needs (such as access to and from the area outside of the region, major activity centers in the region, major planned developments such as new retail malls, sports complexes, etc., or transportation terminals as well as most terminals themselves) and would normally be included in the modeling of a metropolitan area's transportation network, including, as a minimum, all principal arterial highways and all fixed guideway transit facilities that offer a significant alternative to regional highway travel.

State means any one of the fifty States, the District of Columbia, or Puerto Rico.

State Implementation Plan (SIP) means the portion (or portions) of an applicable implementation plan approved or promulgated, or the most recent revision thereof, under sections 110, 301(d) and 175A of the Clean Air Act (42 U.S.C. 7409, 7601, and 7505a).

Statewide transportation improvement program (STIP) means a staged, multiyear, statewide, intermodal program of transportation projects which is consistent with the Statewide transportation plan and planning processes and metropolitan plans, TIPs and processes.

Statewide transportation plan means the official statewide, intermodal transportation plan that is developed through the statewide transportation planning process.

Transportation improvement program (TIP) means a staged, multiyear, intermodal program of transportation projects which is consistent with the metropolitan transportation plan.

Transportation Management Area (TMA) means an urbanized area with a population over 200,000 (as determined by the latest decennial census) or other area when TMA designation is requested by the Governor and the MPO (or affected local officials), and officially designated by the Administrators of the FHWA and the FTA. The TMA designation applies to the entire metropolitan planning area(s).

Subpart B—Statewide Transportation Planning

§ 450.200 Purpose.

The purpose of this subpart is to implement 23 U.S.C. 135, which requires each State to carry out a continuing, comprehensive, and intermodal statewide transportation planning process, including the development of a statewide transportation plan and transportation improvement program, that facilitates the efficient, economic movement of people and goods in all areas of the State, including those areas subject to the requirements of 23 U.S.C. 134.

§ 450.202 Applicability.

The requirements of this subpart are applicable to States and any other agencies/organizations which are responsible for satisfying these requirements.

§ 450.204 Definitions.

Except as otherwise provided in subpart A of this part, terms defined in 23
